## Notes

- This form refers to Gold/Platinum award applications for sales in the Middle East of CD albums from international artists
- IFPI collects applications for the awards on a quarterly basis, and the following eligibility criteria will be applied:
  - Eligible albums are those from artists signed to their record company in a country outside the Middle East
  - Record company applicants must be IFPI members. IFPI membership is open to any record company producing sound recordings in reasonable commercial quantities. Membership queries should be directed to IFPI at the address below
  - Sales of physical product are eligible, digital sales are not
  - Only albums released on or after 1<sup>st</sup> July 2008 and meeting the above criteria are eligible
- For countries within GCC (Gulf Cooperation Council) there will be no individual country awards and awards will be given based on the combined sales figure across Bahrain, Kuwait, Oman, Qatar, Saudi Arabia and UAE
- IFPI does not audit sales figures reported by the companies participating in the scheme
- Award levels are determined by agreement among participating companies. Current levels listed below:

Country	Gold	Platinum
GCC (Gulf Cooperation Council)	3,000	6,000
Lebanon	1,000	2,000
